

Pay for your ride

1

Get your contactless payment method ready

Contactless debit/credit cards always have a wave-like symbol with 4 curved lines.

2

Tap payment method on the back of device

*Model displayed is Samsung Galaxy Tab Active3. For the NFC locations on Android smartphones, please visit support.payfelix.com/resources

Tap and **hold** payment method to the back of the device until the transaction gets approved.

3

Transaction complete

You may request a receipt via SMS or a physical copy.

VISA
